RE: Spectators – Court side  
DATE: 28<sup>th</sup> June 2021

---

Good afternoon everyone

We would like to ask that all clubs / teams advise their spectators that they are to watch from the grass areas. The only people to be courtside during a match is the following: Coach, 1 x Assistant Coach, 1 x Manager, 1 x Timer/Scorer, and the bench players, who are listed on scorecard.

SDNA officials and Umpiring coaches may need to be courtside during any of the matches.

After feedback from our clubs following enforcing this during the Covid – 19 phases they have all been in favour with keeping this ruling in for Winter 2021.

The benefits for our teams are

- Safety of our players and umpires
- Covid-19 Phases always changing (keeping one rule during all phases)
- Less trouble court side
