Canning Vale WA 6970

Please do not hesitate to contact either Nicole, Lesley, Alison or Bev for any queries that may arise, or regarding the use of our resources offered to you.

Southern Districts Netball Association – Boys Competition

Southern Districts is excited to announce plans to expand our competition to include boys' netball in 2026. Following the strong interest shown during our Winter and Spring competitions, we believe it is the perfect time to offer clubs the opportunity to enter boys' teams.

For the 2026 season, we aim to provide the following divisions:

- **14 & Under** (born 2012–2014)
- **17 & Under** (born 2009–2011)

To support this growth, we will be hosting a **Come & Try** evening and welcome your club's involvement to help boys with an interest in netball learn, participate, and pursue development opportunities.

When: Thursday, 29 January 2026, 4:00pm–7:00pm

Where: Southern Districts Netball Association

What: Skills, Match Play and Q&A with Special Guests

If your club is considering entering boys' teams for the 2026 Winter season, please follow the steps below to help ensure a positive and inclusive competition for all participants:

- Set up a tent, table, or provide volunteers to be present on the Come & Try day.
- Engage with families and players who attend by answering questions about your club, training nights, and general information.
- Encourage boys to sign up to your club—or to another club if your capacity is full.

As this will be our first season offering boys' divisions, we ask all clubs to work collaboratively to foster participation and create a balanced, supportive competition. Our goal is to ensure that all teams can enjoy a positive experience, without prioritising competitive advantage. We appreciate your support in upholding this vision.

If your club plans to attend the Come & Try evening to support or recruit for a boys' team, or have any further questions, please contact **Bev Gallagher** by email at **development@sdna.com.au** by **10 January 2026**.

The Come & Try event will feature special guests, who will be announced closer to the date to help inspire our future players. Further details will be shared on our social media platforms and website in the coming weeks, and we encourage clubs to share these updates through their own communication channels.

Iris James Service Award 2026

NOMINEE: _____

NOMINATED BY: _____

Reasons this person is nominated for the Service Award are;-

Memo to All Clubs

Re: Uniform changes for 2026

A reminder to all Clubs that any proposed changes to your Playing Uniform's for 2025 need to be approved by SDNA.

This approval should be sought prior to any order being placed with your manufacturer.

This includes changes to style, pattern, colours and ratio of colours.

Please be mindful that many manufacturers, retailers, and the SDNA office take an extended break over the Christmas/New Year period.

It is strongly recommended that any changes to your Playing Uniform be submitted to SDNA for approval prior to the end of the Spring Competition.

Thank you
Southern Districts Netball Association.
